

DESCRIPTION OF PERPETRATOR

You should not discuss any details from your observations with others before completing this form

Location of incident:

Find a quiet location. Try to think back to the incident. Try to picture what happened, and try to describe details about what the perpetrator looked like, their dress and behaviour. This requires you concentration, so take your time; everything may be significant.

Describe the incident and your immediate reaction:

Describe the perpetrator, and any special characteristics. What did he/she say?

Person 1:

Weapons

Bag, purse, etc.
