Summer is around the corner!

The spring semester ends 20th June and people will already start on their holidays. Many companies in Norway have '**fellesferie**', where all employees take their holidays simultaneously, typically in July. This means a quieter period from mid-June to mid-August. Don't miss the [bonfires](#) and [festivities](#) for **Sankthans** (St. Hans) on June 23rd, a traditional Norwegian Midsummer's Eve celebration. Norway has a lot to offer, and we hope you get the opportunity to explore some of Norway's beautiful destinations this summer!

Schools and after-school care have different starting dates, but at UiB, the **autumn semester** begins on 11th August.

Our team at the **International Centre** remains available throughout the summer, so feel free to reach out to us at euraxess@uib.no with any questions.

Wishing you a wonderful summer filled with relaxation and memorable experiences!

Upcoming events at the International Centre

This seminar will explain the basics about the Norwegian job market, how to build a CV in a Norwegian style, how to read a job advert and how to write the application letter for it, how to prepare for an interview and much more. Both UiB employees and spouses/partners are welcome! The seminar is planned as a physical event and will be held at Bjørn Christiansens hus (Christies gate 12) [Seminar room 217-218](#), on **June 13th** from **10.00** to **15.30**, with some time afterwards for extra questions. Register [here](#).

Summer meet-up

We would like to invite all international employees for a barbeque and games by the lake **Tennebekktjørna**, on **June 29th** at 14.00. If the weather is not good enough to be outside, we will still have a meeting inside in the International Centre. We will let you know a few days before the event. Family and friends are welcome! Read more and sign up [here](#).

When employment is up, and you are leaving Norway

If you are leaving UiB and Norway, there are some formalities and practical matters you need to take care of. Check out our [webpage](#) to make sure you don't miss anything.
