

MolBIO seminars

Fall/ Winter 2022

Time: Wednesday from 09.15 am to 10.00 am

Place: Seminar room "Incubator" (BioBlok, 4th floor, **439C1**) **and** on Zoom!

12. October- Mowgli Dandamudi (*PhD student, Timothy Lynagh Group, Sars Centre for Marine Molecular Biology*)

Title: "Uncovering a broader FMRFamide-gated sodium channel family and discovering determinants of peptide sensitivity"

Chairperson: Fabian Rentzsch

19. October - Aurelia Eva Lewis (*Professor, Group leader, MoLBio*)

Title: "Lipid-mediated regulation of an alternative splicing factor in human cells and *Drosophila* "

Chairperson: Mowgli Dandamudi

26. October - Thaddaeus Mutugi Nthiga (*Postdoc, The Sea Lice Research Centre*)

Title: "Regulation of endoplasmic reticulum and Golgi homeostasis by CALCOCO1-mediated autophagy"

Chairperson: Aurelia Eva Lewis

16. November: Petter Frost (*The Norwegian Biotechnology Advisory Board*)

Title: *tba*

Chairperson: Thaddaeus Mutugi Nthiga

30. November - Kirill Jefimov (*Postdoc, Evgeny Onischenko Group, MoLBio*)

Title: *tba*

Chairperson:

14. December - Lakshmi Narasimha Murthy Chavali (*PhD student, Kari Fladmark Group, MoLBio*)

Title: *tba*

Chairperson: *Kirill Jefimov*

11. January - Rithwik Nambiar (*PhD student, Evgeny Onischenko Group, MoLBio*)

Title: *tba*

Chairperson: *Lakshmi Narasimha Murthy Chavali*
