

EEA Grants Scholarships

2nd Call of the EEA grants Scholarships open to higher education institutions

The second project selection call of the "Scholarships" activity for Latvian higher education institutions is announced, which means - we're looking for partners in Norway, Liechtenstein, and Iceland!

The European Economic Area (EEA) grants activity Scholarships aims to enhance the development of in-depth, research-based knowledge by improving skills and competences of doctoral students, master's, bachelor's and professional study programme students, academic and administrative university personnel in the area of higher education and research, promoting bilateral co-operation and exchange in higher education between the universities of Latvia and donor countries.

Budget

Minimum grant amount per project is 10 000 euros

Maximum grant amount per project is 200 000 euros

Total budget

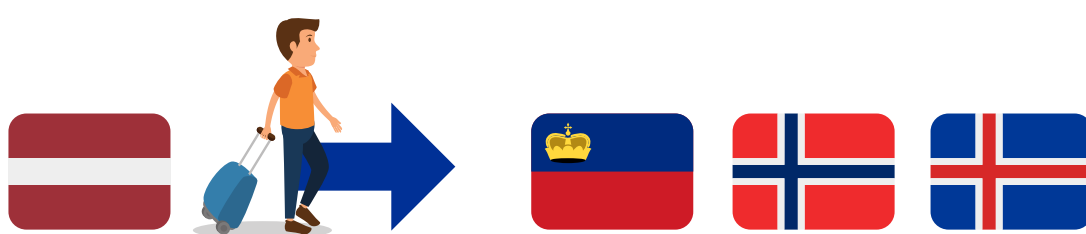

335 986 euros

How can you take part?

Latvian higher education institutions are the ones who can apply for the call and submit the project application, but before that, they must have a project partner from Norway, Iceland, or Liechtenstein. If you are interested in co-operation, contact your partner institutions in Latvia.

If you do not have existing partnerships with Latvian higher education institutions and would be interested in taking part in a matchmaking event with potential partners from Latvia, please fill this [online survey](#) by March 11th, 2022. If you have any questions feel free to contact us eezstipendijas@viaa.gov.lv.
