

# CALL FOR APPLICATIONS

## PHC AURORA 2026

The French Institute in Norway invites researchers in France and Norway to apply for the PHC Aurora 2026 program!

**The program aims to enhance scientific and technological exchanges between both countries.**

**It supports new projects, involves young researchers and doctoral students and fosters partnerships within the European research community.**

All scientific disciplines, including the humanities and social sciences, are welcome.

Aurora is a French-Norwegian collaboration under the Hubert Curien Partnership (PHC).

In Norway, the program is managed by the Research Council of Norway.

In France, it is overseen by the Ministry for Europe and Foreign Affairs (MEAE) and the Ministry of Higher Education and Research (MESR).

**Researchers in Norway should apply through the Research Council of Norway, while those in France should visit [Campus France](https://www.france.no). For more details, visit [www.france.no](https://www.france.no).**

**APPLY BY SEPTEMBER 24, 2025, AT 1:00 PM**
