

Norwegian Artistic Research School – Individual progress plan

_____ will participate in the Norwegian Artistic Research School from 2024-2025.
[Name of PhD candidate]

This plan gives an overview of when the PhD student will attend the activities in the Research School. The student must attend all activities to fulfil the learning outcome of the research school.

The plan must be approved and sent to The Norwegian Artistic Research School at pku@hkdir.no by the PhD institution. Any revision of the plan must be approved by the institution. The institution must send the revised plan to pku@hkdir.no no later than three months before the next planned activity.

Changes later than three months before an event should only be made in case of unexpected occurrences, such as illness. The PhD institution must inform HK-dir and submit an updated plan as soon as possible.
