14 Apr	UiB Library	Course (45min, online)	Open Access - step-by-step . Sign up by 13.04.23 – 12:00
28 Apr	UiB library	Course (45min, online)	Finding and reusing research data . Sign up by 27.05.23 – 12:00
12 May	UiB library	Workshop (3h, online)	Data Management Plan workshop . Work with your own DMP and receive guidance and feedback from experts at the University Library. Register by 10.05.23 – 12:00
23 May	ERC AdG	Ground-breaking, high-risk projects	ERC Advanced Grants 2023
13 Sep (opens on 2 Aug)	NFR	Innovation project with public sector	An innovation project in the public sector must contribute to the public sector innovating services, infrastructure and administration in a sustainable, systematic and efficient way. The project must be based on needs and challenges and form part of the public sector's plans for development. The project must be carried out in actual collaboration between the public project owner, R&D environments and other relevant actors. More information will come here.

Upcoming Funding Opportunities UFO

DEADLINE	PROGRAM	TYPE	CALL
XX Sep	MSCA PF	Research projects with mobility	
XX Oct	ERC StG	Ground-breaking, high risk projects	
Open-ended			
Open-ended	Regionale Forskningsfond Vestland	Seed money	Call for pilot projects meant to pave the way for larger, collaborative R&D projects between academia and the business and/or municipal sector in Western Norway. This might be a good opportunity to test and build inter-sectoral networks, in preparation for future NFR or EU calls. For information on the scope of the call and conditions for funding, see (in Norwegian only): https://www.vestlandfylke.no/narings--og-samfunnsutvikling/tilskot-storre-regionale-samarbeidssoknader-til-nasjonale-og-internasjonale-ordningar/
Open-ended	NFR	Support for conferences/workshops/seminars/etc.	Funding for events that serve as a meeting place for disseminating research results, exchanging knowledge, expanding the knowledge-base and/or establishing new scientific collaboration. More information and application form: https://www.forskningradet.no/en/call-for-proposals/2019/support-for-events/
Open-ended	NFR	Communication and dissemination	Funding for communication and dissemination activities within climate research. Applications will contribute to reaching at least 1 of the goals of the Klimaforsk programme chap. 5.6 . "Usual" communication and dissemination such as publications, conferences, activities that are already part of another project's communication plan, etc. are not eligible for funding. More info (only in Norwegian): https://www.forskningradet.no/utlysninger/2019/kommunikasjon-og-formidling-av-klimaforskning/
Open-ended	NFR	Communication and dissemination	You can apply for a broad range of communication and dissemination initiatives or activities. The initiatives or activities are to contribute to ocean literacy and raise awareness about the Ocean Decade among society. Focus on Polar Oceans. More information: https://www.forskningradet.no/en/call-for-proposals/2021/decade-ocean-science-communication-dissemination/ (applications can be in Norwegian or English)
Open-ended	NFR	Mobility	Personal Overseas Research Grant for Doctoral and Post-doctoral Fellows financed by NFR as part of an ongoing project. More info: https://www.forskningradet.no/en/call-for-

Upcoming Funding Opportunities UFO

DEADLINE	PROGRAM	TYPE	CALL
			proposals/2019/personal-overseas-research-grant-for-doctoral-and-post-doctoral-fellows/#IntendedApplicantsTitle
Open-ended	NFR	Mobility	Personal Overseas Research Grant for Researchers (non-PhD nor Post-doctoral), of 3-12 months duration. More info: https://www.forskningradet.no/en/call-for-proposals/2019/funding-for-research-stays-abroad-for-researchers/
Open-ended	NFR	Mobility	Support for hosting a research visit of 1-12months: https://www.forskningradet.no/en/call-for-proposals/2020/funding-for-research-stays-in-norway-for-guest-researchers/
Open-ended	NFR	Networking	Support for the establishment and running of networks among research organisations, or between research organisations and other relevant stakeholders. The following are eligible for support: - establishment and operation of national networks; - establishment and operation of international networks involving Norwegian coordination; - Norwegian participation in international networks; - organisation of Norwegian stakeholders' activities targeted towards strategically important platforms. ("networks" are understood to be formalised, long-term cooperative structures, platforms or meeting places.) https://www.forskningradet.no/en/call-for-proposals/2020/stotte-til-etablering-og-drift-av-nasjonale-og-internasjonale-nettverk/
Open-ended	DIKU	Research-Education cooperation Iceland-Norway	Arctic Research and Studies. For cooperation between Iceland and Norway in Arctic science. Funding for research and/or higher education activities; travel; preparatory support for the initiation of joint grant applications. UiB Studieavdeling need to be informed about proposals submitted from UiB: contact here.
Open-ended	NFR	Supplementary funding for MSCA fellows	Supplementary funding for those who have been awarded an MSCA postdoctoral fellowship (to go abroad from Norway) or who are participating in a MSCA doctoral network. Certain conditions apply: https://www.forskningradet.no/en/call-for-proposals/2020/top-up-financing-of-outgoing-msca-fellows/
