## News from and about UiB Ferd

UiB Ferd is the new Career Center for Early-Stage Researchers at the University of Bergen. We offer a range of services designed to help you develop your career within or beyond the university. By signing up to our monthly newsletter you will receive information about courses, workshops, and news.

If you would like to keep receiving our monthly newsletters, [please register here](#).

Please note that some articles in our Newsletter will be presented in Norwegian when not available in English. Events will be presented in Norwegian when the events are in Norwegian.

<a href="#">Self-management and time management with Professor</a>	Due to high demand, the course has been moved to a larger venue and the registration is re-opened for registrations!	
--	--	--

<a href="#">Laura Saetveit Miles.</a>		
<a href="#">Four researchers win ERC funding for frontier science</a>	Hallvard Moe, Pawel Burkhardt, Vadim Kimmelman and Carlos Koos have received UiB's first ERC grants from Horizon Europe.	88
<a href="#">Let us show wisdom and care</a>	On the 24 <sup>th</sup> of February, the news about Russia's invasion in Ukraine came. UiB has a site that gives more information about the situation.	88

## Individual Career Guidance

The career center has available capacity for individual career guidance. The service is for all younger researchers at UiB. A career conversation can be about a specific career challenge, or more loosely formulated and about analyzing opportunities and limitations.

### UiB Ferd – Career Center for Early-Stage Researchers

UiB Ferd Career Center for Early-Stage Researchers will support younger researchers in their career development. The center will offer individual career guidance and a variety of courses to increase the target groups' career awareness and competence. In addition, the center will offer competence development activities within generic and transferable skills. The Career Center will offer support in career planning and strengthen younger researchers' career skills to handle transitions and change. We are a team from both HR and the FIA and are happy to receive input on what such a career center can offer.
