

February 2024

Welcome to our monthly newsletter!

Welcome to the February edition of our monthly newsletter! As we find ourselves in the heart of winter, it's the perfect time to reflect on our career goals and plan for the year ahead. Whether you're exploring non-academic career paths, preparing for interviews, or looking for ways to advance in your current role, our February newsletter has something for everyone.

UiB Ferd Career Centre supports doctoral candidates, postdoctoral fellows, researchers and associate professors. We offer a range of services designed to help you develop your career within and beyond the university.

[How to write a competitive CV for the Industry?](#)

The Industry is everything that is not academia. The course will teach you how to develop customized resumes and how to tailor the CV for a specific position

NEW! [How to create a solid elevator pitch for job opportunities or academic advancement](#)

An elevator pitch is a brief, persuasive speech that you can use to spark interest in what you or your project is about. It's named for the amount of time it should take to deliver—roughly the duration of an elevator ride, which is about 30 seconds to 2 minutes.

News from partners and funders

North2north mobility funding deadlines coming up

Are you planning a research stay in a nordic country in Europe or America? The UArctic mobility program "[north2north](#)" funds mobility and staff exchanges for **PhD-students** up to a year. The deadline for registering at UiB as a potential applicant is **15 February**. Read more about the application procedure here: [UARctic - University of the Arctic - Application Procedure to and from Norway](#).

North2north also provide funding opportunities for **all academic staff** going on shorter stays (1-2 weeks) to institutions in the UArctic network, supporting activities such as networking, research and teaching. The application deadlines are **1 March** for mobility during the Fall semester and 1 October during the Spring semester. Grant rates and application form is available here: [UARctic - University of the Arctic - north2north for Norway](#)

Are you a PhD-student seeking start-up funding for business development?

You may be eligible for Innovation Norway [STUD-ENT](#) grants.

The deadline is 29th of February 2024.

Mobility Seminar on 22 February for researchers going abroad

International Centre together with Occupational Health services, IT-department, and the Division of Research and Innovation, are hosting a digital mobility seminar for you who are planning a research stay abroad.

The topics that will be covered include health rights abroad, vaccinations, IT-, personal and social security, taxation insurance, travelling with family and financing possibilities.

The seminar is on Zoom, 09.00-12.00 on 22 February. Register here to get a zoom link: [Mobility seminar for researchers | International Centre | UiB](#)

7 - Photo:/ill with Johan Sandborg/Duncan Higgins

Exhibition: [It Will Be Fine – an exhibition by Duncan Higgins / Johan Sandborg - kmd \(uib.no\)](#)

Duncan Higgins & Johan Sandborg present artworks engaging in the language of visual representation through combined artistic mediums and processes, made in collaboration with The Picture Collection at UiB.

It Will Be Fine invites you to reflect on how the translation and reading of images raises important ethical considerations concerning our voice and its narrative within cultural heritage and the issues this creates, in both tangible and intangible knowledge systems.

18 January - 10 June, The University of Bergen Library, Haakon Shetlings plass 7

Individual career guidance

UiB Ferd career center has available capacity for individual career guidance. The service is for all early stage researchers at UiB. A career conversation can be about a specific career challenge, or more loosely formulated about analyzing opportunities and limitations.
