## Tips and news section:

Research Mobility?

Are you planning a research stay abroad? Start planning early and use international center who has extensive experience in mobility: [Outbound researchers | University of Bergen \(uib.no\)](#). Book a meeting using the link to the right.

[PhD on Track](#) – a guide for researchers.

PhD on Track is a national web resource for PhD candidates and early career researchers in Norway. The website aims to enable beginning researchers from all academic fields to easily access information on different aspects of the process towards a PhD degree. <https://vimeo.com/742582790> (Introduction in English) <https://vimeo.com/742596344> (Introduction in Norwegian)

## Individual Career Guidance

The career center has available capacity for individual career guidance. The service is available to all researchers at UiB. A career conversation can be about a specific career challenge, or more loosely formulated and about analyzing opportunities and limitations.

[Book appointment here](#)

Support early career academics in their career development. The center will offer individual career guidance and a variety of courses to increase the target groups' career awareness and competence.
