

August 2023

Welcome to the 2023 autumn semester. We hope you have enjoyed the summer!

When we talk about career, what are we talking about then? In September, you can attend the first ever UiB Career Days. We ask researchers, managers, and editors how they understand the term and how they assess skills and competence. The aim is to create debate and reflection, but also to provide space for networking and new ideas.

[Check out the program and save the date!](#)

26.-28. SEPTEMBER
