

Instructions

UiB assumes that you are working from your registered address in your home country. If you are working anywhere else, you must fill in this travel log.

Please state your arrival, your working days, your free days and your departure day.
All stays in Norway must be reported (except holidays).

If you are planning on moving to another country, inform UiB about these changes

Where you are working from is essential for UiB to report correctly to authorities in both Norway and your home country.
