

UNIVERSITY OF BERGEN

University Library

License for Norwegian Research Information Repository (NVA)

The license gives the University of Bergen the right to make available the author's master thesis in the open research archive NVA.

Name of author: _____

Title of master thesis: _____

The following terms apply:

- The author keeps copyright and has the right to withdraw the thesis from NVA.
- The author is responsible for obtaining permission for making third party material in the thesis available online (for example illustrations, graphs and pictures).
- The University of Bergen has the right to convert the file to other formats than PDF if necessary for archiving or accessibility reasons.
- The University of Bergen has the right to transfer and make available the thesis in another archive with the same purpose as NVA, if such an archive replaces NVA in the future.

As a standard, the master thesis will be available in NVA within the terms of the following license: All rights kept in compliance with the framework of the Norwegian Copyright Act including changes: <https://lovdata.no/dokument/NL/lov/2018-06-15-40> (in Norwegian). The work can be referred to, linked to and quoted from. It can be printed and downloaded for private use only.

If you wish to make your thesis available with an open license instead of the standard license, please choose one of the licenses below (please contact us if you wish to make it available with one of the other CC licenses). An open license ensures that the thesis is widely available to the benefit of users and society.

- ☐ Attribution (BY): <https://creativecommons.org/licenses/by/4.0/> The work can be shared and remixed as long as appropriate credit is given.
- ☐ Attribution-NonCommercial (BY-NC): <https://creativecommons.org/licenses/by-nc/4.0/> The work can be shared and remixed as long as appropriate credit is given and the work is not used commercially.
- ☐ Attribution-NonCommercial-NoDerivatives (BY-NC-ND): <https://creativecommons.org/licenses/by-nc-nd/4.0/> The work can be shared as long as appropriate credit is given and the work is not used commercially. The license does not allow remixing.
